Quality is our speciality

THE BANGLADESH EXPRESS has been conducting dialogues on hard industry topics and big society issues through high-quality SPECIAL PUBLICATIONS to bring good things to light since 2016. Governor of Bangladesh Bank, Chairman of SEC, heads of ABB, BAFEDA, BLFCA and CEOs of 40 leading banks, 20 NBFIs and 03 MFS operators took part in our Special Publications through interviews & face to face interactions.

Our first Special Publication was published in 2000 based on credit ratings on 22 private commercial banks-first of its kind in Bangladesh, which was accredited by the then Governor of Bangladesh Bank Dr. Mohammed Farashuddin and appreciated by bankers and customers.

Our dialogues through SPECIAL PUBLICATIONS between policymakers and market players help close knowledge gaps, spur action, foster innovation and promote collaboration so as not to harm industry competitiveness. Our Industry Publications are strengthening financial literacy among digital consumers.
